A WORD FROM THE PRESIDENT

Kingswood University exists to serve Jesus Christ by strengthening the local and global church through forming Christ-like servant leaders in a community that creatively blends academic excellence and practical ministry experience with intentional spiritual formation.

This is the mission Kingswood University has been seeking to accomplish for nearly 80 years, preparing men and women to serve Christ by strengthening His church. At Kingswood, students discover the truths of God's world and Word. The Bible is the heart of our curriculum. It isn't the only textbook we use, but it is the standard against which we measure everything else.

These days we're strengthening the church in every way we can. On our campus in Sussex we offer undergraduate and graduate programs of study. From the very first day, students dive into a wide variety of ministries. Most programs culminate in a four-month Supervised Ministry Experience in a church, school, or cross-cultural context. This experience is the gold standard in ministry preparation.

On-campus Kingswood students experience the transforming power of God's Spirit throughout campus life. Chapel services are rich times of worship and learning. In the classroom, professors seek to impart not only information, but wisdom. Residence life and athletics offer a wealth of opportunities for students to grow into the leaders God has called them to be.

Our students love learning amid the beauty of this area, minutes away from some of North America's most wondrous sites, like the Bay of Fundy. They also relish the opportunity to take the gospel to our town, to the metropolitan areas only a short drive away, or across the globe.

The Kingswood experience is also available online. We offer graduate and undergraduate programs in a fully online format, as well as non-credit options, including certificates and Kingswood Learn, a platform hosting high quality, thoroughly vetted micro-courses available for free.

The proof of Kingswood's effectiveness can be seen in our alumni, now serving God in 27 countries, 10 provinces, 42 states, and over 20 denominations. Across North America and around the world, Kingswood graduates are known for being well-prepared servants of Christ and His Church.

Whether you are seeking to prepare yourself for vocational ministry or be more effective in ministry through your vocation, or you are looking to discover what God might have for you next, Kingswood is an excellent choice. The more you look the more you'll discover the "Kingswood difference"!

To those who have already made the decision to become part of the Kingswood experience, welcome to the family.

For the good of Christ's church,

Stephen J. Lennox, Ph.D.
President, Kingswood University

MISSION & CORE VALUES

**Kingswood University exists to serve Jesus Christ
by strengthening the local and global church
through forming Christ-like servant leaders
in a community that creatively blends
academic excellence and practical ministry experience
with intentional spiritual formation.**

We are committed to ...

- upholding the authority and inspiration of the Bible;
- proclaiming the whole Gospel; for the whole person throughout the whole world;
- encouraging each person to become a fully devoted follower of Jesus Christ;
- providing a theological context that respects and serves the broader church;
- operating from a Wesleyan/Arminian theological perspective;
- supporting the doctrine and lifestyle expectations of The Wesleyan Church.

GENERAL INFORMATION

Doctrinal Statement

Owned by The Wesleyan Church, Kingswood upholds the denomination's Articles of Religion as found in *The Discipline of The Wesleyan Church* (paragraph 299) which includes the following summary of doctrinal beliefs:

We believe in God the Father, the Son, and the Holy Spirit.

We believe that Jesus Christ the Son suffered in our place on the cross, that He died but rose again, that He now sits at the Father's right hand until He returns to judge every person at the last day.

We believe in the Holy Scriptures as the inspired and inerrant Word of God.

We believe that by the grace of God every person has the ability and responsibility to choose between right and wrong, and that those who repent of their sin and believe in the Lord Jesus Christ are justified by faith.

We believe that God not only counts the believer as righteous, but that He makes such persons righteous, freeing them of sin's dominion at conversion, purifying their hearts by faith, perfecting them in love at entire sanctification, and providing for their growth in grace at every stage of their spiritual life, enabling them through the presence and power of the Holy Spirit to live victorious lives.

Goals

In the accomplishment of the mission of the University, the specific goal of Kingswood University is to enrich the knowledge, skills, and Christ-like disposition of ministers of all types – lead, staff, and solo, pastors, missionaries, worship leaders, teachers for Christian schools, marketplace ministers, and other committed lay people who will strengthen the local and global church. This is to be achieved by guiding student development in:

- an appreciation for their role in the church universal (through space and time);
- an understanding and experience of what it means to be a well-rounded wholesome Christian, physically, mentally, emotionally, socially, and spiritually;

- a development of a worldview which incorporates a biblical sense of values, an understanding of God's plan for their lives, and their privileges and responsibilities in contemporary life;
- an understanding of the way academic excellence and practical ministry experience are inseparably intertwined with intentional spiritual formation.

Institutional Objectives

Kingswood graduates will:

- demonstrate a greater knowledge of the Bible and the central doctrines of the Christian faith;
- articulate a developing conception of life, culture, and the world from a biblical perspective;
- apply research and critical thinking skills for independent research and effective communication of truth;
- develop as Christ like servant leaders, exhibiting ongoing development in all areas of life;
- reflect on ministry experiences in church and parachurch settings.

History and Heritage

Kingswood University was founded in October 1945 in Woodstock, New Brunswick by the Alliance of the Reformed Baptist Church of Canada. Known as the Holiness Bible Institute, its primary purpose was the training of ministers to serve the Reformed Baptist Church within the Atlantic region. In 1947, the school was relocated to Yarmouth, Nova Scotia and renamed Bethany Bible College. In 1965, Bethany relocated a second time, to the present location in Sussex, New Brunswick.

In July 1966, the Alliance of the Reformed Baptist Church of Canada joined the Wesleyan Methodist Church. Two years later, in June 1968, the Wesleyan Methodist Church merged with the Pilgrim Holiness Church to form The Wesleyan Church.

Over the course of time, the University has made advances academically. In May 1970, the General Board of Administration of The Wesleyan Church authorized Bethany Bible College to award the

Bachelor of Arts Degree in Religion, the basic four-year program for those entering full time ministerial service. In 1983, the Province of New Brunswick, through official legislations, authorized Bethany to grant church related degrees.

In 2011, Bethany Bible College was renamed Kingswood University.

Accreditation

Kingswood University has been accredited by the Association for Biblical Higher Education (ABHE), Commission on Accreditation to grant certificates and degrees at the Associate, Bachelor, and Master's level, receiving initial accreditation in 1987. Accreditation was reaffirmed in 2019. ABHE is the major North American accrediting agency for biblical higher education and is recognized by the United States Department of Education.

Alumni Association

Kingswood's alumni serve around the world in both vocational and co-vocational roles as pastors, church planters, missionaries, Christian educators, and chaplains. Many others serve God through their vocations. The primary objective of the Alumni Association is to promote the welfare of the University by informing alumni of its needs and progress, contributing prayerfully and financially to its support, and alerting the public to its values.

Kingswood and the Community of Sussex

Kingswood is located in the town of Sussex which has a population of approximately 5,000 and is nestled in the beautiful hills of the Kennebecasis River Valley. It is well-suited for the outdoor enthusiast, being a short drive from various ski resorts, Fundy National Park, and the Bay of Fundy, which boasts the highest tides in the world. Sussex is conveniently located along provincial highway 1 providing easy access to Moncton, Saint John, and Fredericton, the capital of New Brunswick. Sussex is also within a two-hour drive of the state of Maine and is therefore not far from some of the major cities of the north-eastern United States, such as Boston, Massachusetts.

Campus Resources

The campus is situated on fifty-seven acres of land overlooking the town of Sussex.

The Saunders Irving Chapel is the focal point of the upper campus. In addition to the chapel, the building houses Wesley Hall meeting facilities. The Student Life and Academic Departments, including faculty offices, are housed on the upper campus.

The upper campus is also the site of four student residences, Stairs Hall containing the Greg Mann Dining Commons and classrooms, the Mitchell Student Centre, which includes recreation facilities, the Solid Grounds Café, lounge, and Student Life office. The Benson Athletic Complex is easily accessed from the upper campus.

The lower part of the campus is located along Main and Western Streets. Nicholson Hall contains the Earle & Marion Trouten Library and the Student Success Centre. The Burbury Administration Centre accommodates administrative offices, including the President's Office and Finance, Donor Engagement Enrolment, and Communications departments, and the Kingswood University Counselling Centre. Both these buildings also house classrooms.

The Nutrien Civic Centre, for which resident students hold membership, is adjacent to the lower campus. Facilities at the Civic Centre include a 25-metre competition pool, an indoor walking/running track and fitness equipment.

ENROLMENT INFORMATION (UNDERGRADUATE)

ADMISSION POLICIES

General Requirements

Prospective students are assessed according to academic background, moral behaviour and character, personal Christian testimony, and ministry graces. In the process, applicants' complete academic record, recommendations, plans, and personal information are reviewed. If applicants meet the required standards in these areas, they are admitted to the University. The University does not discriminate based on race, colour, national origin, age, or gender in admission to, treatment in, or employment in its programs and activities.

Academic Requirements

Applicants must have a high school diploma or equivalent and achieve satisfactory grades in the following Academic or College preparatory level courses in grades 10, 11, or 12:

- 2 English credits
- 2 Math or Science credits
- 2 Social Studies credits (e.g., history, sociology, geography, civics, psychology)

Students without the necessary background or grades may be admitted on a conditional basis. The first semester or term for these students will be a qualifying period.

Character Requirements

Applicants are expected to be of high moral character and are therefore expected to be a minimum of six months from participation in tobacco products, non-prescription drug use, alcohol, pornography, inappropriate sexual relationships, gambling, and occult activities.

Ministry Graces

The mission of Kingswood University, as a single-focus institution, requires that an applicant possess natural skills and temperaments appropriate for ministry. In some cases, an applicant may be asked to complete additional testing to help in this evaluation.

ADMISSION PROCEDURES

Applications and information may be obtained online (www.kingswood.edu/admissions) or from the Enrolment Office (506-432-4422 or 888-432-4422). Applications for admission should be made early so that necessary arrangements for entrance may be made. However, applications will be received up to one week before the last day to enrol (see page 12). In no case will a student be permitted to enrol more than one week after the beginning of the semester or more than two days after the beginning of a term.

All applicants must submit the following to the Enrolment Office.

- Application for Admission - Applications may be made online through the University website (www.kingswood.edu/admissions/apply-now) or submitted to the Enrolment Office: Kingswood University, 26 Western Street, PO Box 5125, Sussex, New Brunswick, Canada, E4E 5L2. All questions on the application form are to be answered or marked N/A if not applicable.
- Transcripts - All secondary, and post-secondary transcripts where applicable, are required to assess a candidate for admission. Transcripts are to be sent directly to the University. Applicants will need to ask their high school guidance counsellor to send a transcript to the University. Transcripts may be reviewed for admission at the completion of the applicant's grade 11 year. An official transcript certifying graduation will be required for enrolment.
- Reference Form - All applicants must have the Pastoral reference form completed according to the instructions on the form. This form must be received to make an evaluation.

All applicants accepted for on-campus classes must submit the following before enrolling:

- Health Records - A completed Student Health Data Form must be submitted. U.S. and other international students are required to purchase medical insurance provided through the University.
- Scholarships & Grants Application - All accepted applicants are expected to make

adequate financial arrangements. **Applicants wishing to apply for scholarships and grants through the University must submit a Scholarships and Grants Application.**

Specific opportunities for financial assistance through the University are listed in the Financial Information section of this Catalogue.

- Room/Tuition Deposit - A \$100 room/tuition deposit must be submitted by all students prior to enrolment. Details can be found in the Student Handbook and the Financial Information section of this Catalogue. Further information regarding entrance scholarships is online at: www.kingswood.edu/admissions/financial-aid/scholarships.

All applicants accepted for online classes must submit the following before enrolling:

- Tuition Deposit - A \$100 tuition deposit must be submitted by all students prior to enrolment. Details can be found in the Student Handbook and the Financial Information section of this Catalogue.

Applicants for both on-campus and online studies must submit all required forms and transcripts before they may enrol. All acceptances are contingent upon continued Christ-like character development. Accepted students are to abide by all expectations regarding moral conduct as described by the Student Handbook.

Home Schooled Students

Because all home school experiences are different, applicant files are reviewed on an individual basis. Applicants must submit an official high school transcript for grades 10 to 12 with the course names, credit values, and grades earned. Supporting documentation must be provided indicating curriculum or program used, course descriptions, and assessment process. Additional information may be requested.

Upon evaluation of the transcript, students may be required to submit one of the following as further evidence of readiness:

- Third-party test results, such as SAT, ACT, or GED scores, sent directly to the University from the testing agency, or;
- A college or university transcript showing courses taken as part of a homeschooling

experience; where appropriate, transfer credit may be awarded for such courses.

Mature Students

Kingswood may accept into a degree program a limited number of mature students whose academic background is deficient in some respects. The first semester or term for these students will be a qualifying period. Mature student applicants must complete all the forms previously mentioned and will be given consideration if they meet the following requirements:

- evidence of being 21 years of age before registration;
- evidence of at least two years of responsible activity since attendance at school;
- evidence of ability to profit from university study;
- successful completion of a General Education Development test (GED) or its equivalent.

Early Enrolment

High school students in grades 11 and 12 may enrol for up to six hours of on-campus university courses per semester or three hours of online university courses per term. Students must have an average of at least 85% (3.3 on a 4.0 scale) and must have written approval of their parent or guardian and the high school they attend. Applications may be made online (www.kingswood.edu/admissions/apply-now) or by contacting the Enrolment Office.

Transferring From Other Institutions

Transfer applicants must complete the required forms as above. In addition to this, applicants must request an official transcript to be sent directly to the University from all schools attended. Credits being transferred to Kingswood must be from recognized accredited institutions and have at least a "C" grade. The University will only transfer those credits that can be applied directly toward the desired program of study at Kingswood.

Students transferring credits to Kingswood must take at least 30 hours through Kingswood to earn a Kingswood degree, even though they may have more than the required number of hours for graduation. This must be the final year of the program unless special arrangements have been made with the Vice President for Academic Affairs.

A student who is on academic probation at another institution and who is accepted to study at

Kingswood will be placed on academic probation for at least one semester. A student dismissed from another institution must wait a minimum of one semester before enrolling at Kingswood.

See page 15 for the details about transferring credit and page 25 for information about the President's Scholarship program requirements for transfer students.

Part-time Non-degree Study

A part-time applicant wishing to take for-credit courses without enrolling in a degree program may do so by submitting an application form. No transcripts or references are necessary for Kingswood courses not requiring prerequisites. Transcripts will be made available upon request after the course is completed and paid in full.

Re-enrolment

A student who has withdrawn from the University for any reason must apply for re-enrolment through the Enrolment Office. If it has been two years or less since the student was last enrolled at the University, it may not be necessary to complete the entire admission process. The student should complete a new application form indicating on the form that they are applying for re-enrolment. Students who re-enrol return under the same academic standing as when they withdrew from Kingswood. Students must meet the academic requirements of the program in effect at the time of re-enrolment.

Re-enrolment following Dismissal

Students who were dismissed from Kingswood will need to provide the following items in addition to completing an application form:

- an updated pastoral reference;
- a letter of intent indicating progress made since dismissal;
- transcripts of courses completed since the last attendance at Kingswood, if applicable.

Applications for re-enrolment following dismissal will be accepted up two weeks prior to the first day of classes in the semester.

DEFINITION OF FINANCIAL CHARGES

Tuition – On-Campus

Tuition for on-campus students who enrol in twelve to sixteen credit hours per semester will be charged a flat rate of \$5,995. Students enrolling in more than sixteen credit hours in a semester will pay an additional \$380 per credit hour for every hour over sixteen hours. Part-time students, taking less than twelve credit hours per semester, pay \$400 per credit hour.

Tuition – Online

Tuition for online students is charged a rate of \$400 per credit hour.

Audit Fee

A \$100 per credit hour fee is charged to part-time students who wish to attend a course, but not receive credit. Full-time on-campus students may audit up to four hours per semester free of charge. If they audit more than four hours, they will be charged the regular audit fee for each hour over the four-hour limit. Students who audit music lessons may have the audit fee waived but will still pay the music lesson fee. Spouses of full-time students may audit on-campus courses free of charge.

Early Enrolment

Students currently in grades 11 or 12 who take courses through the Early Enrolment program either on campus or online pay \$100 per credit hour.

Senior Citizens' Rate

Individuals 60 years of age or over are charged one-half of the tuition or audit fee for the courses taken.

Tuition Deposit

After initial acceptance, all students in Canada and the United States (on-campus and online) must submit a \$100 tuition deposit before they can pre-register for classes. Upon enrolment, this fee will be applied to the student's account.

Individuals who have paid this fee but do not plan to attend Kingswood are eligible for a full refund if they submit a written request prior to July 31 for the fall semester or December 31 for the spring semester. If a written request is not received by these dates, the tuition deposit will not be refunded.

After initial acceptance, students from outside Canada and the United States are required to pay a tuition deposit. The tuition deposit for the September intake is first-semester tuition and fees (this includes room, meal plan, and fees), and is due August 1. For the January intake, the tuition deposit is first-semester tuition and fees and is due December 1.

Upon payment of the tuition deposit, the student is given a receipt to be used when applying for a study visa/permit. The full tuition deposit will be returned in the case the study visa is not granted. Appropriate documentation must be provided showing proof the visa was not granted prior to the refund being granted.

If registered students with a valid study permit choose to withdraw, 50% of the tuition deposit is non-refundable and will be retained. All international students who choose to leave must complete a withdrawal form and request a partial refund of their tuition deposit in person. For January intake students, the same policy applies but 100% will be retained.

Music Lesson Fee

This is the charge for 30 or 45 minutes of private instruction per week. In addition to the lesson fee, one credit hour or audit hour will be added to the number of credit hours charged.

Room Fee

This fee is the charge for a dual occupancy residence room. The residences are closed for Christmas and March breaks and reopen the day before classes resume. The first meal is served at noon on this day.

Room furnishings include drapes, bed, mattress, dresser, chair, and study desk. Bed and bath linens are not provided by the University. Students are responsible for the care of the room they occupy, and the furnishings allotted to them.

Single Occupancy Fee

Subject to the occupancy level, private rooms may be available. Requests are to be indicated on the Room Reservation form.

Room Fee/Damage Deposit

All resident students must submit a \$100 room reservation fee/damage deposit to ensure a room assignment in the resident hall. Students submitting fees after August 1 will be assigned rooms subject to availability.

Individuals who have paid this fee but do not plan to attend Kingswood, or plan to live off-campus, are eligible for a full refund. A written request must be submitted prior to July 31 for the fall semester or December 31 for the spring semester. If a written request is not received by these dates, the room reservation fee/damage deposit will not be refunded.

At the end of the academic year this fee may be used to secure a room assignment for the next fall semester. If the assigned room was damaged, costs incurred for repairs will be deducted from this fee or refund amount. The room reservation fee/damage deposit must be maintained at the \$100 level to ensure a room assignment for the next fall semester.

Town House Family Housing

A limited number of two- and three-bedroom apartments (furnished and unfurnished), are

available for family housing. Utilities are included. The semester rental periods are August 1 to December 31 and January 1 to May 31.

To maintain their apartment for the fall semester, families must pay rent for the months of June and July. There is a 50% discount rate for families who want to maintain their apartment for the fall semester but will not be occupying it for the entire month(s) of June and/or July.

Town House Family Housing Deposit

When a town house apartment is assigned, a \$400 housing deposit must be submitted to secure that apartment. This deposit is refundable upon vacating the apartment without damages or other outstanding fees payable to the University. Outstanding fees and/or the costs for repairs will be deducted from the refund amount.

Meal Plans

All resident students, except for town house residents, must purchase either the 14-meal or 21-meal plan. If a town house is used for single student accommodations, students must purchase the 14, 21, or the town house meal plan (120 meals per semester).

U.S. FEDERAL AID

All processes for U.S. Federal Aid start at this website: www.studentaid.gov.

American citizens and permanent residents studying full-time can apply for subsidized and unsubsidized Direct Loans, Parent Plus Loans and/or Private Loans. A student may be eligible to borrow the maximum annual loan limit amount for each year of study. These limits are effective for periods of enrolment during the Federal Student Aid fiscal year which begins on July 1 and ends on June 30. Students are expected to have their paperwork completed and submitted to Kingswood University Financial Aid Office six weeks in advance of the term or semester.

Applying for a Direct Loan

Create a user ID on the Student Aid website. Complete the FAFSA application online at <https://studentaid.gov/h/apply-for-aid/afsa>.

Students, parents, and borrowers are required to use an FSA ID, made up of a username and password, to access certain U.S. Department of Education websites. Your FSA ID is used to confirm your identity when accessing your financial aid information and electronically signing your federal student aid documents.

Complete a Loan Agreement/Master Promissory Note on the Student Aid website. You will need your FSA ID to complete this step.

Email the request letter to Kingswood University. Download the form indicating how much you would like to borrow, up to the maximum of your academic

level (for example, first-year students are permitted to borrow up to \$3,500 + \$2,000). Email the completed form to finaid@kingswood.edu.

For first time applicants at Kingswood: complete the Entrance Counselling (Direct Loan) on the Student Aid website.

For a student's last year at Kingswood: complete the Exit Counselling on the Student Aid website.

Parent Plus Loan

Direct PLUS Loans are loans for parents of dependent undergraduate students. Direct PLUS Loans help pay for educational expenses up to the cost of attendance, minus all other financial assistance. Interest is charged during all periods.

To apply for a Parent Plus Loan you will need your own FSA ID. Apply at www.studentaid.gov. Follow the directions for completing a Master Promissory Note. Parents will need their own FSA ID to log in.

Note: If the parent has received an adverse credit decision, the student can receive an additional unsubsidized loan. Contact the Director of Financial Aid at 1-506-432-4423.

Parents may still be eligible to receive a Direct PLUS Loan, by one of the following methods:

- obtain an endorser and complete PLUS Counselling on the Student Aid website;
- request a review to determine extenuating circumstances on the Student Aid website.

Private Loans

Private loans are available to students with a co-signer. Contact Sallie Mae at www.salliemae.com. Choose "Private Student Loan" option.

Disbursement of Loans

Loans come in two disbursements, mid to late August and late December or early January.

U.S. SATISFACTORY ACADEMIC PROGRESS POLICY

The U.S. Department of Education regulations stipulate that students must maintain certain academic standards in order to remain eligible for all types of U.S. Direct Loans. The Satisfactory

Academic Progress Policy (SAP) applies to all students applying for US Direct Loans under Title IV of the US Higher Education Act. These types of loans include Direct Loans (Subsidized and Unsubsidized) and Direct Parent PLUS loans.

Satisfactory Academic Progress Evaluation

All students enrolled at Kingswood University have their Satisfactory Academic Progress (SAP) assessed by the Director of Financial Aid at the end of each semester to determine eligibility for continued Financial Aid.

A student is considered to be making satisfactory academic progress when he or she:

- meets minimum grade point average requirements each semester.
- completes the program of study within the maximum allowable time frame.
- does not repeat any course more than twice.

Minimum Requirements for Degree Students

A student is considered to be making satisfactory academic progress when he or she:

- successfully completes 75% of attempted credit hours each academic year (quantitative assessment);
- achieves a minimum semester GPA as outlined in the chart below (qualitative assessment):

	1st & 2 nd	3 rd & subsequent
Minimum Hrs Attempted	12	12
Quantitative: Credit Hours earned	9	9
Qualitative: Semester GPA	1.75	2.0

Financial Aid Warning

Students who fail to achieve the required minimum standards of academic progress after one semester, will receive a **Financial Aid Warning** and will be notified in writing and by email.

Kingswood University will reinstate the student's eligibility for aid for one semester. If a student who has been given a Financial Aid Warning fails to meet the GPA or completion requirements to return to regular eligibility status in the next term of study, they will be placed on **Financial Aid Suspension** and lose all US Federal Aid eligibility.

Financial Aid Appeals

In certain circumstances, students whose U.S. Federal Aid eligibility has been removed may appeal if at least one of the following criteria is met:

- death of an immediate family member;
- extended illness of the student – illness that causes the student to be absent from class at least 15 days (medical documentation required);
- extended illness of a family member that places hardship on the student (medical documentation required);
- mitigating circumstances as determined by the Director of Financial Aid.

Appeal Process:

To appeal the decision for eligibility:

- Submit a written appeal letter to the Financial Aid Director within 14 days of receipt of the notification of ineligibility. This letter must outline the reasons for the failure to meet SAP requirements and include all documentation supporting the appeal.
- The appeal will be reviewed by the Director of Financial Aid, Vice President for Academic Affairs, and Executive Vice President to decide to uphold ineligibility or to allow a reversal of the decision.
- A written response to the appeal will be provided to the student.

Financial Aid Probation

If a student's appeal is successful, the student will be placed on **Financial Aid Probation** and will be eligible to receive U.S. Federal Aid for the following semester, after which time SAP requirements will be reviewed. If the student is successful in meeting the SAP requirements, the Financial Aid Probation will be removed.

If the student is denied U.S. Direct Loans after an appeal but in subsequent years meets SAP requirements, it is the student's responsibility to notify the Director of Financial Aid Office that SAP requirements have been met. The Financial Aid Director will verify SAP requirements have been met prior to originating any U.S. Direct Loans for the following semester.

Financial Aid Suspension

If a student fails to meet the GPA or completion requirements to return to regular eligibility status in the next term of study, the student will be placed on Financial Aid Suspension and will lose all U.S. Federal Aid eligibility.

Maximum Timeframe Eligibility

Students who have taken more than 150% of the published length of degree completion time are not considered to have fulfilled SAP requirements and therefore become ineligible for U.S. Direct Loans for that degree at Kingswood University.

Incompletes, Withdrawals, Repeated Courses

For the purpose of U.S. Direct Loans, the following definitions apply:

- Incomplete courses are considered in the credit hours attempted and are included in the cumulative GPA calculation upon completion of the course;
- Withdrawals without academic penalty are considered in the credit hours attempted but are not considered in the determination of the cumulative GPA;
- Repeated course grades are included in the credit hours attempted and in the cumulative GPA according to Kingswood academic policy.

U.S. Title IV Refund Policy

If a student withdraws or is dismissed during the semester (payment period), U.S. law specifies that Kingswood University must recalculate Title IV (Stafford Loan) funding to determine what amount the student has "earned."

Calculation of Title IV Funding Earned

To earn 100% of Title IV funding a student must complete 60% or more of the semester. If a student has not completed 60% of the semester, the amount earned will be determined by the number of calendar days completed divided by the number of days in the semester. For example, a student who has completed 25 days of the 103-day semester, will be eligible for 24.27% (25 divided by 103 equals 24.27%) of his or her previous Title IV eligibility.

If the student received (or the University received on the student's behalf) less assistance than the amount that was earned, the student may be eligible to receive those additional funds. If the student received more assistance than was earned, the

excess funds must be returned by the University and/or the student.

Post Withdrawal Disbursements

In the case that a student has withdrawn, and the US Title IV funding has arrived after the withdrawal and the student is still eligible for some of the loan funding, the student will be notified that there is money available to the student or parent. The decision on if the funds will be accepted will be determined by the student or parent before the money is posted to the student's account. The student will be notified via email and will have 14 days to respond.

Returning Excess Title IV Funding

Kingswood University is required to return a portion of the excess funds equal to the lesser of:

- the University's charges multiplied by the unearned percentage of the funds, or;
- the entire amount of excess funds.

If the University is not required to return all the excess funds, the student must return the remaining amount.

Title IV funds will be returned to the lender in the following order:

- unsubsidized Direct Loans;
- subsidized Direct Loans;
- Parent Plus Loans.

Kingswood University will return all excess funds to the lender within 45 days of the last date of attendance.

Withdrawal Date

When a student withdraws during a semester, the withdrawal date for Title IV refund purposes will be established as the earlier of the following dates:

- the date the student notifies the Registrar of his or her intent to withdraw;
- the date the student submits a withdrawal form.

If a student does not submit a withdrawal form or notify the Registrar of intent to withdraw, the withdrawal date will be established as the last date of class attendance. If a student receives all failing grades for a semester and it is determined that this is a result of lack of class attendance, the last date of attendance will be established and used to calculate the amount of Title IV funding earned for the semester.

SPIRITUAL LIFE

It is God's desire that we not only come to know Christ as Saviour, but that we continually grow in His image (2 Corinthians 3:18). Traditionally, we call this 'Christian spiritual formation.' It is our purpose to assist in the Christian spiritual formation of every student at Kingswood University, both on-campus and online. This includes spiritual, moral, and character development. This can only be accomplished as each member of the community is committed to a diligent and conscientious daily walk with Jesus Christ.

Spiritual growth occurs best when we are intentional about it. At Kingswood, we are intentional in our approach to holistic spiritual formation by offering a variety of experiences to help facilitate the personal spiritual growth of students.

Chapel Service is conducted on Fridays at 9:30 am on campus and livestreamed through YouTube. Chapel is a time for the campus family, students and staff, to meet to worship and give praise, participate in the preaching of God's Word, celebrate holy communion, join in corporate prayer, and thus be changed into the likeness of Christ by the power and presence of the Holy Spirit. Chapel services are livestreamed for the benefit of those who cannot come to campus.

Mentorship Cohort is conducted on Tuesdays at 9:30 am. This is a time for student cohorts to meet with a faculty member to focus upon spiritual formation, personal growth and development, and basic academic advising. Each cohort will be maintained throughout the student's period of learning at Kingswood.

Apprenticeship provides an opportunity for each student to learn leadership alongside one who possesses greater skills, meshing what is learned in the classroom with the marketplace. On Wednesdays each student will find themselves in a volunteer placement that will immerse them in the daily rhythms and responsibilities of the particular placement site.

Weekend Worship Attendance at a local church of their choosing is expected of all Kingswood students and staff.

Annual Spiritual Life Emphases occur in September, January, and March on campus and livestreamed on YouTube. **Spiritual Emphasis** in September brings spiritual focus to the entire campus at the beginning of the fall semester, challenging each student and staff member to new levels of spiritual vitality, victory, and vision. The **Dunlop-Mullen Holiness Emphasis** in January proclaims the Biblical doctrine of holiness with conviction, anointing, and clarity that results in students and staff experiencing significant advancement in their transformation into the likeness of Christ. **Missions Emphasis** in March heightens campus awareness of what God is doing in our world, particularly outside of North America. Opportunity is given for both students and staff to respond positively to God's direction for personal involvement in the great cause of missions, especially as accomplished through The Wesleyan Church.

Evensong is a student facilitated time of informal worship on Tuesdays at 8:00 pm. This period of worship serves as a time of thankfulness and praise, as the conclusion of the day nears. This brief service includes devotionals, prayers, scripture, vocals and acoustic music. In keeping with Kingswood's philosophy of learner-practitioner, Evensong offers another opportunity to develop ministry skills.

Campus Pastors are staff members who provide pastoral care to staff and students. **Student Chaplains** are present in each residence hall. They help provide spiritual leadership in the residences. Prayer chapels are available in each residence for personal and small group prayer, Bible study, and worship.

Requirements for On-Campus Students

Weekly attendance is required at Chapel, Mentorship Cohort, Apprenticeship, and weekend Worship Services. Attendance is also required during the spiritual life emphasis services. Attendance at other spiritual formation experiences is encouraged but not mandated.

Excused absences from any of the required components may be issued under the same provisions as for excused absences from classes; that is, for University sponsored activities (e.g.

Kingswood sponsored ministry teams, intercollegiate sports, and class or program field trips), documented extended illness, serious illness or death in the student's immediate family, or in similar extenuating circumstances. Absences are granted by the Vice President for Academic Affairs within one week of the absence.

Requirements for Online Students

Weekly attendance at church services and small group meetings is also required for online students. These students must also be intentional in finding other ways in which God can speak to them; this may be through reading, podcasts, or watching other services online, such as campus chapel services.

Because ministry flows out of our relationship with Christ, online students must also be engaged in ministry each week.

Reporting

All students are enrolled in a Spiritual Formation Component 'course' each semester or term where they report participation in the required activities each week. Participation in such events and practices as those described above does not guarantee spiritual growth, they place students in environments where they can be shaped by God and develop in their relationship with him.

A grade of at least B in this course each year is a requirement for graduation (see page 40 for Graduation Requirements) and thus is required for all degree students. Students who fail to achieve this grade may be required to pass the SF Component Lab with the same B grade requirement.

STUDENT LIFE

For complete information about student life, please refer to the Student Handbook.

STUDENT DEVELOPMENT

Kingswood University is committed to student development as an essential element of the total educational and formational experience of each student. This commitment is based upon the assessment that student development encompasses all areas of life, including physical, intellectual, emotional, interpersonal, character, and spiritual formation.

The purpose of student development is that all students make significant progress in their overall personal growth and maturity, develop genuine Christlikeness, and gain an abiding understanding of, and commitment to, their calling and ministry within the body of Christ.

SOCIAL LIFE

Becoming a responsible, discerning, and respected leader is accomplished by learning to make wise choices and developing strong interpersonal relationship skills. Thus, a meaningful, well-rounded education at Kingswood University includes cultivating Christ-centred relationships. University administrators, faculty, and staff count it a privilege to participate in this lifestyle development.

RESIDENT LIFE

Kingswood is a resident housing institution. Therefore, resident life is intended to be a vital part of the total learning, character-building experience. Resident life provides special opportunities to learn and practice the discipleship lifestyle (servanthood, mutual respect, selfless caring, and sharing). We want the community life shared with friends in the residence halls to have a positive impact on the Kingswood experience and to be the beginning of many lifelong friendships.

STUDENT ORGANIZATIONS

Student Council

Student government at the University is facilitated through the Student Council. This elected body consists of administrative officers, a first-year student representative, senior class representatives, an off-campus representative, and the directors of the student organizations listed below.

Spiritual Life Association

The purpose of the Spiritual Life Association is the building of character and the transformation of conduct to the example of Christ's spiritual leadership. By servitude and submission to Him, the association promotes growth in grace so that it can be said with the Apostle Paul, "The things you have learned and received or heard and seen in me, practice these things; and the God of peace shall be with you" (Philippians 4:9). The Spiritual Life Association assists in leading the annual spiritual and holiness emphasis services.

Local and Global Outreach Association

The purpose of this organization is:

- to promote among the students an interest in missions, assisting leading the annual Missions Emphasis week;
- to help all students discover God's plan for them in His work;
- to model and live out the love and compassion of Christ through various ministries. Servant-evangelism projects and creative ministries that meet real needs in the community of Sussex provide wonderful opportunities to experience the challenges and joys of Christian witnessing and serving others.

Student Fellowship Association

It is the desire of the Student Fellowship Association to assist in all aspects of the student's social development. The goal of the association is to enhance the spiritual growth of each student by providing a positive, wholesome atmosphere for social interaction and the development of lasting friendships.

Athletic Association

This student organization seeks to promote personal health and fitness, the building of character, and leadership skills through athletic events, both on the intercollegiate and intramural levels. Participation is encouraged as a player and/or spectator.

Creative Arts Association

The Creative Arts Association provides students with an opportunity for ministry outreach to the community and for involvement in unique University presentations. Its goal is to present biblical truths in a creative and contemporary form that is both clear to listeners and effective in evoking positive personal change.

SEXUAL HARASSMENT POLICY

Unwelcomed sexual invitations, demands for sexual favors, repeated sexual innuendos, and taunting about a person's body, appearance or sexuality can constitute sexual harassment. The university is committed to creating and maintaining an environment for students that is free of such objectionable and disrespectful conduct. Students should review Kingswood's Student Policy and Procedure on Sexual Harassment to help ensure

self-awareness and protection. While a student may choose to discuss or report sexual harassment directly with law enforcement or any trusted Kingswood staff member, the Executive Vice President and the Professor of Counseling serve as University Sexual Harassment Advisors. These advisors provide information, advice, assistance, and support on a confidential basis regarding this policy. Complaints of sexual harassment brought to the university's attention by a student will be treated as a serious matter and will be acted upon promptly and with due regard to the confidentiality of all those involved.

GRIEVANCE POLICY

The fundamental criterion for initiating a grievance is that a student believes that a decision of a University authority or the action of a University member affecting some aspect of his or her University life has not been reasonable, just or fair. Every student in the University community has a right to institute and participate in proceedings under this grievance procedure without reprisal or threat of reprisal for so doing.

The grievance process is divided into the three stages which are described in the Student Handbook.

ACADEMIC INFORMATION

ACADEMIC POLICIES

The faculty and administration of the University believe in the importance of student learning and formation. These values drive the formation of the academic policies and procedures on the following pages.

Class Attendance - Synchronous Classes

Many of the benefits acquired during university years cannot be measured adequately or accurately through assessments. Among these are those received through class participation. Consequently, students are expected to attend all sessions of the courses for which they are registered.

Students may not miss more than one-fourth (25%) of the class hours in a course for any reason. If they miss more than one-fourth of the class hours in a course, they will fail the course.

Students who miss more than one-tenth (10%) of the class hours in a course will receive a grade reduction penalty which is equivalent to a 2% grade reduction for each additional hour of class missed. Most classes are 3 credit hour classes which meet in two sessions of 75 minutes per week. Missing more than two of these 75-minute classes will result in a 3% grade reduction for each additional class session missed. Students should check the syllabus for details about specific classes.

Excused absences from class or Spiritual Life events will be granted only for University sponsored activities (e.g. Kingswood sponsored ministry teams, intercollegiate sports, and class or program field trips), documented extended illness, serious illness or death in the student's immediate family, or in similar extenuating circumstances. Students who live outside Sussex and commute to campus may also be granted excused absences in the event of adverse weather conditions. Absences will be granted by the Vice President for Academic Affairs within one week of the absence. Excused absences do not result in grade reduction but do contribute to the one-fourth rule.

A student may be given permission to attend in-person classes virtually in extenuating circumstances (extended illness, death in the

student's immediate family, etc.). Permission must be granted by the Vice President for Academic Affairs as well as the professor. Following permission, all arrangements must be made by the student and the details confirmed with the professor. A class session accessed in this manner may be counted as attendance at class.

If a student is absent on the day of a pre-announced test, an automatic "0" will be received on that test, unless there are extenuating circumstances.

Students will be assessed one absence for each three times they arrive late to class or leave class early. Students arriving twenty minutes or more after the start of a class or leaving twenty minutes or more before the end of class will be marked absent.

Faculty may have additional attendance policies for a course. When this is the case, the requirement will be explained in the course syllabus. Faculty are under no obligation to repeat any class material or demonstration, either in class or in private sessions, when a student has been absent.

Academic Load – On-Campus Programs

Students who take twelve or more credit hours in a semester are considered full-time students. Incoming students are normally permitted to take up to 16 credit hours per semester in their first year. Incoming students may be advised to take less than 16 hours if their academic background is weak or if it has been several years since they have been a full-time student. Students wishing to take more than 16 hours must be second, third, or fourth-year students and have a grade point average (GPA) of 2.5 or higher for the two previous semesters. The maximum number of credit hours permitted per semester is 19, however, a student who has maintained a GPA of 3.5 or above for the two previous semesters may, through their advisor, petition the Vice President for Academic Affairs for an exemption from this restriction.

Academic Load – Online Programs

Students who take six or more credit hours in a term are considered full-time students. Students may take up to nine credit hours in a term but are discouraged from this if they are employed more than half-time. Students wishing to take more than

six hours per term must maintain a grade point average (GPA) of 2.5 or higher.

Dropping a Course

Students may withdraw from a course within the first seven calendar days of the course without academic penalty. Courses from which a student withdraws during the second to ninth week of a semester or second to fourth week of a term will be recorded with a grade of "W." After this date, courses dropped will incur an "F" unless a student can document extenuating circumstances. Students must follow the appropriate procedures for dropping a course by completing the Drop/Add form available on the University's intranet.

Online students who do not access course materials within the first week of a term and who are unresponsive to contact from the Kingswood Extended office will be automatically removed from the course(s).

For information about tuition refunds see the Financial Information section of this Catalogue.

Adding a Course

Students may add a course only during the first seven calendar days of a semester or the first two days of a term. Students must follow the appropriate procedures for adding a course by completing the Drop/Add form available on the University's intranet.

Auditing a Course - Synchronous Classes

Students who wish to attend a course but not receive academic credit or a grade may audit the course. This must be indicated at the time of course registration. Students who audit a course are not required to do the course work or take any tests in the course; however, students are required to attend at least 75% of the classes to have the audited course recorded on their transcript.

Qualifying Semester or Term

The first semester or term for students who do not have the required academic background for admission or who are accepted as mature students will be a qualifying period. To promote academic success, during the semester on-campus students will not be permitted to participate in student ministry teams, collegiate sports requiring travel, or hold student offices. Online students with a qualifying term will be permitted to enrol in only one course for

the first term.

Students whose GPA is above the academic probation threshold at the end of the qualifying semester or term will have all restrictions removed. Those whose GPA is below the threshold will be placed on academic probation.

Academic Probation

Students enrolled in at least nine credit hours in a semester will be placed on academic probation when their fall semester, spring semester, or cumulative GPA falls below the minimum academic probation thresholds in the following table.

Students enrolled in at least six credit hours in a term will be placed on academic probation when their term or cumulative GPA falls below the minimum academic probation thresholds in the following table (hours completed includes hours transferred from other institutions).

Total hours successfully completed	Minimum GPA
1 - 30 credit hours	1.75
31+ credit hours	2.00

Students on academic probation will be restricted to a thirteen credit-hour course load per semester on-campus or a four credit-hour course load per term online. They may be required to enrol in the course, Study Methods (GE 102).

On-campus students will not be removed from academic probation unless their semester course load is nine hours or more. Online students will not be removed from academic probation unless their term course load is three hours or more.

While on academic probation, on-campus students may not participate in student ministry teams, collegiate sports requiring travel, or hold student offices. Students on Academic Probation must have the permission of the Vice President for Academic Affairs to participate in other time-intensive campus-related activities or ministries.

A student who is on academic probation at another institution and is accepted for study at Kingswood will be placed on academic probation for at least one semester or term. A student dismissed from another institution will be required to wait a minimum of one semester or term before enrolling.

Academic Dismissal and Re-Admission

Students will be dismissed automatically for a minimum of one semester or term if their:

- GPA in any fall semester or spring semester is 1.0 or below, or;
- GPA in any two consecutive terms is 1.0 or below, or;
- current fall semester, spring semester, or term GPA is below the academic probation threshold for a second consecutive semester or term.

Students who are dismissed may apply for re-admission by contacting the Enrolment Office.

Upon timely receipt of all required materials and reports, a determination will be made about if there is any basis for a student's continuing study at the University. A personal interview may be requested. Students re-admitted after academic dismissal will be on academic probation.

A second dismissal will be for an indefinite period.

Grading System

Although some professors may use numerical designation in grading, a letter system is used for the final evaluation of student coursework. The grades indicate the following assessments of work:

- A Excellent work. This grade represents originality, insight, and achievement.
- B Good work. This grade represents fulfillment of the course requirements with diligence and thoroughness, yet with something less than mastery.
- C Minimally acceptable work. This grade represents steady work at a low level of competence. It may indicate an outward fulfillment of requirements with little personal involvement or application to studies.
- D Unsatisfactory. This grade represents work below an acceptable level. For 300 and 400 level courses, a D grade is not satisfactory for graduation (see Degree Graduation Requirements), therefore, any such course receiving a D grade must be re-taken. For 100 and 200 level courses, a D grade is adequate for graduation.
- F Failure.

I Incomplete. This is a temporary grade which is changed to a passing or failing grade by the end of the following semester.

W Withdrawal from a course.

WF Withdrawal from a course while doing failing work.

AU Audit: No grade assigned.

Credit Hour Definition

One credit hour represents about 35 hours of engagement with course content for an average student.

Most on-campus courses are three credit-hour courses, meeting for 150 minutes per week, usually in two 75-minute sessions for thirteen weeks. On-campus students should plan to spend two hours on out-of-class work for every hour spent in class. To receive credit for a course, the student must attend 75% of the class sessions, fulfill the requirements of the course (papers, assignments, examinations, etc.) to the professor's satisfaction and receive an acceptable passing grade in the course.

Most online courses are also three credit-hour courses, lasting seven weeks. Online students should plan to spend about 15 hours per week on course related work for each course. To receive credit for a course, the student must fulfill the requirements of the course (papers, class assignments, examinations, etc.) to the professor's satisfaction and receive an acceptable passing grade in the course.

Grade Point Average (GPA)

The number of quality points earned for a course is equal to the number of hours assigned to the course multiplied by the number of quality points for the letter grade earned. For example, if a student receives a B for a three-credit course, he or she will earn nine quality points for that course.

Numerical averages of letter grades are computed by means of quality points as follows:

Letter Grade	Quality Points	Percentage
A	4.0	95 - 100%
A-	3.7	90 - 94%
B+	3.3	87 - 89%
B	3.0	82 - 86%
B-	2.7	80 - 81%

Letter Grade	Quality Points	Percentage
C+	2.3	77 - 79%
C	2.0	72 - 76%
C-	1.7	70 - 71%
D+	1.3	67 - 69%
D	1.0	62 - 66%
D-	0.7	60 - 61%
F	0.0	0 - 59%

To determine a student's GPA for a given semester, the accumulated quality points are divided by the number of credit hours attempted. For example, if a student accumulates a total of 39 quality points in 15 credit hours, the GPA for that semester will be 2.6.

Late Assignments

All assignments are due as described in the syllabus.

The policy governing the acceptance of assignments handed in late is as follows:

- Extensions may be granted by faculty in the event of sickness, death or serious illness in the student's immediate family, or similar extenuating circumstances. Normally, extensions should be requested at least five days prior to the due date of an assignment. No extension will be granted if requested on the day the assignment is due.
- No assigned work will be accepted after the last day of the semester or term unless a prearranged extension has been granted because of extenuating circumstances.
- Assignments submitted past due dates, when approval to do so has not been granted, will be penalized for each day the assignment is late, as follows:
 - 100 and 200 level courses – 10% per day
 - 300 and 400 level courses – 25% per day

Class Standing

Class standing is based on the number of credit hours successfully completed, including those transferred from other institutions. Students are classed as follows:

Year	Credit Hours Successfully Completed
First year	0-29 hours
Second year	30-59 hours
Third year	60-89 hours
Fourth year	90+ hours

Early Enrolment

High school students in grade 12 may enrol for up to six hours of university level courses per semester or three hours per term. Students must have an average of at least 85% (3.3 on a 4.0 scale) and must have written approval of their parent or guardian and the high school they attend. Students may take regular classroom courses on-campus and/or they may take courses online through Kingswood Extended.

High school students may also be able to earn university credit for participation in other University sponsored ministries or events. This credit is not counted in the six hours of credit identified above.

Credit for Prior Learning

Kingswood University recognizes that some students have earned academic credit at other institutions or have prior learning for which they may be awarded academic credit. These fall into four categories, defined here and expanded below:

- Prior Credit – transfer credit awarded for academic courses completed at other institutions, usually on a course-by-course basis.
- Credit for Military Training – students who are active or veteran members of the armed services may be eligible for credit for their military training and experience.
- Credit by Examination – credit awarded for standardized tests such as Advanced Placement or through examinations administered by Kingswood.
- Prior Learning Credit – credit may be awarded for non-credit workshops, experiences, programs, etc. earned through the workplace or life experience.

Principles:

- Only learning which applies directly to the desired program of study at Kingswood will be considered for credit.
- Students earning such credits must take at least 25% of the degree through Kingswood to earn a Kingswood undergraduate degree, even though they may have more than the required number of hours for graduation. That is, for a bachelor's degree, at least 30 credit hours must be completed through Kingswood, and for an associate's degree, at least 16 hours must be completed through Kingswood. This must be

the final year of the program unless special arrangements have been made with the Vice President for Academic Affairs.

- A maximum of 90 credit hours may be awarded towards a bachelor's degree and a maximum of 46 credit hours towards an associate degree.
- Within a bachelor's degree, normally a maximum of half the program-specific hours can be awarded.
- Transfer, examination, and prior learning credits may be awarded for Practicum credits, Student Teaching or the Supervised Ministry Experience.

Transferring from Other Institutions

Principles:

- Grades for courses transferred must be at least C-, though the grade will not be recorded or calculated in the student's GPA.
- A maximum of 18 hours of Bible and Theology courses can be transferred from institutions which do not operate from a Wesleyan Arminian theological perspective; however, transfer credit will not be awarded for Christian Doctrine I and II or Doctrine of Holiness.
- Transfer of credit from non-accredited institutions is based on the nature of the institution and credentials of faculty who taught the courses to be transferred. Up to 60 hours of credit may be transferred. A maximum of 18 hours of Bible and Theology courses can be transferred; however, transfer credit will not be awarded for Christian Doctrine I and II or Doctrine of Holiness. Students seeking transfer credit from such institutions may be asked to provide syllabi for courses to be transferred.

Processes:

- All transcripts are assessed individually for transfer credit by the Registrar.
- Credit can usually be transferred seamlessly from:
 - other recognized accredited educational institutions owned by The Wesleyan Church;
 - other institutions accredited by the Association for Biblical Higher Education, Commission on Accreditation (ABHE);
 - recognized Canadian educational institutions;
 - institutions whose accreditation is

recognized by the U.S. Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA).

- There is no charge for transfer credit.

Transfer Agreements

- Through a formal articulation agreement with Elim Bible Institute and College (NY), students who have completed Elim's one- or two-year program may transfer all credit from those programs towards a bachelor's degree at Kingswood. Credit from one of Elim's Applied Ministry Certificates may also transfer.
- Through a formal articulation agreement with the Advent Christian General Conference, students who have earned the Certificate in Biblical Studies from Berkshire Institute for Christian Studies (MA) will be awarded at least one year of credit towards a bachelor's degree at Kingswood.

Credit for Military Training

Students may earn a maximum of 30 credit hours for a bachelor's degree program and a maximum of 15 credit hours for associate's degree program through credit for military training.

Processes:

- Students will be required to submit official copies of military records, supplemented by a letter requesting a review and documenting relevant military experience.
- Credit will be assessed by the Registrar, in consultation with other relevant parties.
- Students may be asked to submit additional documentation or have an interview before a determination is reached.
- There is no charge for receiving credit for military training.

Credit by Examination

Students may be awarded up to 18 hours of academic credit for standardized exams such as Advanced Placement (AP) or International Baccalaureate (IB). On some occasions students may take an internal exam to earn academic credit.

Processes:

- Official grade reports must be submitted for credit to be awarded.
- Advanced Placement (AP) – transfer credit may be awarded for exams with grades of 3, 4, or 5.

- International Baccalaureate (IB) - transfer credit may be awarded for exams with grades of 5, 6, or 7.
- Students with other advanced placement credits should contact the Registrar's office for further information.
- There may be a charge for taking an internal exam, but there is no charge for receiving credit by examination.

Prior Learning Credit

Items such as workshops, seminars, self-study, non-credit classes, training programs and/or work experiences will be considered, including programs such as Youth with a Mission (YWAM).

- Students may earn a maximum of 30 credit hours for a bachelor's degree program and a maximum of 15 credit hours for associate degree program through the assessment of prior learning.
- A training certificate or experience will only be credited to one course.
- Credit will not be awarded more than once for the same experience.
- Students must be at least 25 years of age to apply for Prior Learning Credit.

Processes:

- Candidates will be required to submit a petition and relevant documentation to demonstrate why they should be awarded credit for prior learning or experiences. This may be done as part of the admissions process or later in a student's program.
- Credit will be assessed by the Registrar in consultation with other relevant parties.
- Candidates may be asked to submit additional documentation or have an interview before a determination is reached.
- A template and sample petition are available upon request.
- There is a fee of \$100 for assessment of documentation, payable at the time of submission of the petition.
- There is a fee equivalent to 25% of tuition per credit hour for awarding of prior learning credit. Credit will not be transcribed until payment is made.
- In some cases, a grade may be assigned; in other cases, credit will be awarded without grade.

Graduation Requirements

A student will be granted an undergraduate degree upon meeting the following conditions:

- a life of high moral standing and a committed discipling relationship with the Lord and Saviour, evidenced by full engagement in local church worship and all Kingswood worship and ministry requirements, and quantified by a grade of at least B in each semester or term's Spiritual Formation Component. On-campus students are required to attend chapel, Mentorship Cohort, Apprenticeship, and official campus spiritual formation events;
- successful completion of all program requirements;
- a minimum of 25% of the program, and the last 25% preceding the conferring of the degree, earned through Kingswood University, unless special arrangements have been made with the Vice President for Academic Affairs;
- a letter grade of "C-" or above attained in all 300 and 400 level courses and a minimum cumulative GPA of 2.0;
- full payment of all financial commitments to the University.

Additional graduation requirements may apply to some degree programs. Online students may be required to complete an interview with a faculty committee.

Graduation Honours

The following honours are awarded to graduates in bachelor's degree programs. Students who transfer to Kingswood University must have completed at least 60 credit hours through Kingswood University to qualify for graduation honours.

In recognition of academic achievement, graduates with superior GPAs will be designated as follows:

- 3.4 – 3.59 *cum laude* (honours)
- 3.6 – 3.79 *magna cum laude* (high honours)
- 3.8 – 4.0 *summa cum laude* (highest honours)

Recipients of the Valedictorian and Salutatorian awards are chosen by the faculty, primarily for high academic achievement.

Recipients of the Delta Epsilon Chi Honour Society award are chosen by the faculty based on having achieved a cumulative grade point average of not less than 3.3 and demonstrated an outstanding

Christian character and leadership ability. This award is made available through the Association for Biblical Higher Education (ABHE).

August Graduates

Students in bachelor's degree programs who, at the time of graduation, are no more than two courses (maximum six credit hours) away from completing their program of study may be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate. This provision also applies to students who are completing their Supervised Ministry Experience during the summer semester if the supervised ministry marks the conclusion of their academic work.

Students in associate degree programs who, at the time of graduation, are no more than one course (maximum three credit hours) away from completing their program of study may be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate.

If all course work is not completed by August 31 of that year, graduation will be withheld until Commencement of the following year. A student is not permitted to participate in Commencement a second time and will graduate *in absentia*.

Academic Integrity

The *Senior Dictionary of Canadian English* defines plagiarism as "an idea, expression, plot, etc. taken from another and used as one's own."

Plagiarism is the use of ideas or words from another source without giving credit. This includes all printed and electronic sources, communications, presentations, and the use of generative artificial intelligence tools.

Plagiarism is a serious offence in the academic community and is especially offensive in the Christian academic community since it is an act of dishonesty, evidencing a lack of integrity. Cheating on tests, exams, and other assignments is equally offensive. For this reason, any source that is quoted directly, and all statements of fact or opinion that are not common knowledge, must be referenced with a parenthetical reference.

Plagiarism and other academic dishonesty will not be tolerated at Kingswood University and normally will result in the following academic penalties:

- A first offence will result in failure of the assignment or test.
- A second offence (even if occurring in a different course than that of the first offence and/or in a subsequent semester or term) will result in the failure of the course in which the second act of plagiarism or academic dishonesty occurred.
- A third offence (even if occurring in a different course than that of the first or second offence and/or in a subsequent semester or term) will result in dismissal from the University.

All students enrolled in online courses are required to submit an Integrity Statement at the conclusion of the course indicating that all work submitted is their own and that resources have only been used as permitted in the course. Grades in these courses will not be finalized until the signed statement is submitted. Online students may be required to use a proctor for significant exams.

Generative Artificial Intelligence (AI)

Generative AI is a tool which can encourage learning in some settings and detract from it in others. Students may only use generative AI tools where explicitly permitted by the course instructor and as described in the course syllabus; any usage other than this is not permitted. This applies to all assignments, including research papers, tests, reflection papers, and discussion posts. Students will also be expected to follow specific course instructions for documenting use of generative AI. Failure to adhere to Kingswood University generative AI policies will result in the same academic policies as for plagiarism (above).

Use of Electronic Devices in the Classroom

Computers and other electronic devices are helpful tools to assist the learning process; students are encouraged to use them. However, tools can be used for the wrong reasons. Because Kingswood is an expression of the body of Christ where members care for one another, professors want students to practice mutual accountability. Therefore, the following guidelines will be in place for the use of electronic devices in classrooms (synchronous classes):

- Computers and any other electronic devices will be used in class only for notetaking, approved class presentations, or by other direction of the professor. They will not be used for activities such as, but not limited to, messaging, playing games, watching movies, or browsing.
- If a student sees a classmate using a device in an inappropriate way, student-to-student accountability is encouraged. However, if there is no resolution, or if a student feels uncomfortable with this course of action, he or she may talk to the professor. When it comes to the attention of the professor, appropriate action will be taken. The professor will not share with the offending student who did the reporting.
- A student may lose the privilege of using his or her device if it is determined by the professor that it was used in an inappropriate way.

Faculty may have additional requirements about use of devices. Check syllabi for specifics.

Contesting a Grade on an Assignment

A student may contest a grade for an assignment by discussing it with the professor within five days of receiving the grade. If this does not bring about satisfactory resolution, the student may bring the assignment to the attention of the appropriate Division Chair who will then discuss the assignment with the professor. The decision of the Division Chair will be final. If the professor involved is also the Division Chair, the student may bring the assignment to the attention of the Vice President for Academic Affairs.

Contesting a Final Grade in a Course

A student may contest a final grade in a course informally by discussing it with the professor upon receipt of the grade. If this does not bring about satisfactory resolution, a student may contest the grade formally by the following procedure:

- The student will submit to the professor, in writing, the reasons for contesting the grade within five days of receiving the grade.
- The professor will respond in writing to the student within five days.
 - If this does not bring about satisfactory resolution the student may take the grievance to the Vice President for Academic Affairs who will rule on the matter. The student must submit a written request for a review of the issue(s) to the

Vice President for Academic Affairs within 21 days.

- The request must include a copy of the student's statement to the professor and the professor's response.
- The decision of the Vice President for Academic Affairs will be final.
- If the professor involved is the Vice President for Academic Affairs, the written request may be submitted to applicable Division Chair.

Contesting an Academic Policy Decision

A student may contest a decision made as a result of academic policy by submitting a written appeal to the Academic Committee through the Vice President for Academic Affairs. Written appeals must be submitted within 15 days of receipt of official notice of academic action.

The decision of the Academic Committee will be final.

ACADEMIC PROCEDURES

Academic Year

The on-campus calendar operates with two main semesters each year. The first semester concludes prior to Christmas and the second semester concludes in late April or early May. Courses may also be taken through a summer semester which runs from the beginning of May to the end of August.

The online calendar operates with six terms per year. Terms begin on the first Monday of odd months (January, March, etc.) and end on Saturdays seven weeks later.

On-campus students may take online courses during the two summer terms.

Intensive Courses (Seminars)

The University sometimes offers courses in a modular format. These are times of concentrated study which employ instructors from across the church who share their knowledge and experience with students. Students complete pre-course and post-course assignments.

Advising

Upon enrolment, each degree student is assigned

an advisor who will guide the student through his or her Kingswood experience. The advisor will help the student with academic matters, such as program and course selection, and will serve as a mentor and counsellor throughout the student's university career.

Students whose GPA is below 2.0 at the end of any grading period will be encouraged to meet with their advisor for specific guidance in this area.

Course Numbering

Courses are classified in the following manner:

- First-year courses - 100s
- Second-year courses - 200s
- Third-year courses - 300s
- Fourth-year courses - 400s

Students may register for a course that is one year above their classification, provided necessary pre-requisites have been met, and only with permission from the professor and the Registrar. Any course may be cancelled due to insufficient enrolment.

Change of Program

Current students desiring to change their program of study must submit an online Change of Program form, found on the University's intranet Program changes processed in the first two weeks of the semester will take effect immediately. All requests for program changes received after the first two weeks of the semester will be processed and effective at the beginning of the next semester.

Second Degree

Students wishing to earn a second undergraduate degree must take at least thirty credit hours above that which is required for the first degree and meet the specific requirements of the additional degree.

Physical, Mental, and Learning Disabilities

Kingswood desires to support all students in fulfilling the unique call of God in their lives including their academic success. Applicants with disabilities conform to the same academic conditions of acceptance as other applicants. However, they are encouraged to submit additional information about their life circumstances so that these can be considered in the evaluation of their application.

Students who have a diagnosed disability must inform the Academic Affairs Office prior to initial

registration if they wish to request accommodation of any form. Professional and current documentation that establishes the nature of the disability and the recommendations for accommodation must be provided. Kingswood seeks to work with the student and any medical and/or psychological professionals involved to develop an appropriate accommodation plan. The accommodation plan will outline the student's particular needs and required changes to the delivery of the academic content to the student. The Registrar will notify faculty of suggested accommodations based upon documentation students provide.

The University can provide some support for students who have documented learning disabilities. Examples of support include making accommodations for tests and lectures and offering tutoring for study skills and improved learning. The University ultimately determines the types and extent of support offered. Kingswood will not accommodate a student to the extent that educational experiences and integrity are compromised for the student or for other students in the course.

Student Success Centre

The Student Success Centre, located in the Earle & Marion Trouten Library, exists to promote the academic success of all students, both on-campus and online. The Centre is supervised by the Director of Library Services and staffed by student volunteers. Assistance is available in areas such as organization, reading, writing, research, test preparation, and proof-reading.

Dean's List

The Dean's List is calculated at the end of each semester (fall and spring). Full-time on-campus students who earn a semester grade point average of 3.5 or above have earned the distinction of being on the Dean's List, published by the Vice President for Academic Affairs at the close of each semester. Full-time online students who achieve a grade point average of at least 3.5 in the two corresponding terms (1 and 2, 3 and 4, or 5 and 6) will also be identified as being on the Dean's List.

Transferring to Other Institutions

Students from Kingswood University transferring to other colleges or universities are encouraged to

contact the college or university they wish to attend regarding their policy on transferring of credits.

Articulation Agreements

Kingswood University has entered into formal agreements with several institutions, allowing for smooth transfer from Kingswood to other institutions, for undergraduate or graduate study. Transfer of credit is always guided by the policies of the receiving institution.

Students can transfer credit between the five Wesleyan educational institutions. In addition to this general transfer of credit between Wesleyan institutions, the following transfer agreements are in place:

- Houghton University (Houghton, NY) – graduates of Kingswood's AA degrees will have satisfied the core requirements for Houghton University's bachelor's degrees (main campus);
- Indiana Wesleyan University (Marion, IN) – graduates of Kingswood's AA (General Education) will have satisfied the general education requirements for IWU-Marion bachelor's degrees, except for the Intercultural Experience, a lab science and a fine arts credit;
- Oklahoma Wesleyan University (Bartlesville, OK) - graduates of Kingswood's AA (General Education) will have satisfied the general education requirements for Oklahoma Wesleyan's bachelor's degrees;
- Southern Wesleyan University (Central, SC) - graduates of Kingswood's AA (General Education) can transfer up to 53 hours of credit towards Southern Wesleyan's core curriculum.

Agreements also exist with other higher education institutions:

- Association for Biblical Higher Education (ABHE). Because of accreditation by ABHE, students can transfer credit to and from other ABHE schools across North America;
- Acadia Divinity College (Wolfville, NS) – Kingswood graduates may be awarded up to 24 hours of advanced standing with credit towards the M.Div. degree. Acadia has a standing policy which makes it possible for those who hold an undergraduate degree in theological education (such as Kingswood's bachelor's degrees) to complete an M.A. degree in as little as one year.

- Asbury Seminary (Wilmore, KY and Orlando, FL) – Kingswood graduates may be awarded up to 18 hours of advanced standing with credit.
- Cairn University (Philadelphia, PA) – graduates of Kingswood's B.A. (Christian School Education) may be awarded up to 6 hours of advanced standing in the M.S. (Education) degree.
- Crandall University (Moncton, NB) – Kingswood and Crandall have an agreement that credit can be transferred in both directions. Specifically, graduates of Kingswood's BA (Christian School Education) degree may complete the B.Ed. degree in three or four semesters and thus be eligible for teacher certification in New Brunswick.
- Indiana Wesleyan University (Marion, IN) – third- and fourth-year Kingswood students enrolled in the B.A. Christian Counselling degree may be eligible for enrolment in up to five graduate counselling courses.
- Prairie College (Three Hills, AB) – students wishing to earn Prairie's Associate of Arts degree in Mission Aviation may complete the first academic year (eight months) at Kingswood before moving to Alberta.
- University of Maine (Presque Isle, ME) - graduates of Kingswood's BA (Christian School Education) degree may complete the Teacher Education program in three semesters and thus be eligible for teacher certification in Maine.
- Wesley Seminary (Marion, IN) – Kingswood graduates may be awarded up to 19 hours of advanced standing with credit towards graduate degrees. Senior undergraduate students at Kingswood may also take courses from Wesley Seminary for dual enrolment in undergraduate and graduate degrees.

Denominational agreements:

- Advent Christian (ACGC) – an agreement with the Advent Christian General Conference allows students from the ACGC to meet credentialing requirements through their degree at Kingswood University. In addition, the agreement provides for seamless transfer of credits from Berkshire Institute of Christian Studies to Kingswood University, though transfer is assessed on an individual basis.
- Church of the Nazarene (CotN) – an agreement between Kingswood University and the Canada

Atlantic District of the Church of the Nazarene allows Kingswood to serve as an approved institution for ministerial preparation for the Church of the Nazarene denomination (see page 59 for program details).

- Pentecostal Assemblies of Canada (PAOC) – a three-way agreement between Kingswood University, the Pentecostal Assemblies of Canada (Maritime District), and Master's College and Seminary (Peterborough, ON), allows Kingswood to serve as an approved institution for ministerial preparation for the PAOC denomination (see page 61 for program details).

Transcripts

Official transcripts are issued upon request from the student through the University website. The cost is \$10.00 per transcript, payable before the transcript can be released. Students can print unofficial

transcripts from their Populi account without charge. All financial obligations to the University must be met before grades and transcripts can be released.

Withdrawal from the University

A student wishing to withdraw from the University must complete the necessary withdrawal form, available from the Academic Affairs, Student Life or Financial Aid Office.

Changes to Programs and/or Requirements

Any changes in University programs and/or requirements become effective when a new catalogue is published. In such instances a student is permitted to graduate under the catalogue provisions at the time of enrolment. If a student changes program or withdraws and later re-enrols, the requirements at the time of change or re-enrolment will be those which the student must meet.

BACHELOR'S DEGREE PROGRAMS

BACHELOR OF ARTS (MINISTRY)

Dr. Janet Starks, Program Director

The Bachelor of Arts (Ministry) program of study is designed to train students for multiple forms of Christian ministry. In addition to classroom instruction, during their fourth year B.A. (Ministry) students complete a four-month Supervised Ministry Experience under the direct supervision of a qualified ministry leader in their field of study. During this time, students are exposed to the broad range of hands-on ministry experience within a local or international church or parachurch ministry. This Supervised Ministry Experience gives opportunity for students to sharpen and focus ministry skills learned in the classroom. Students are also required to complete a minimum of three practicum credits during their four-year degree program.

Students completing the B.A. (Ministry) degree will meet the academic requirements for licensing in The Wesleyan Church. Some major courses of study contain the academic requirements for ordination in The Wesleyan Church; students in other majors may elect to add the additional courses as electives. In most cases, students can still complete the degree in four years. All students enrolled in the B.A. (Ministry) degree are required to take a history and polity course that focuses on their home denomination.

Students from other denominations may be able to meet many of the academic requirements for ordination in their denomination.

Objectives of the B.A. (Ministry) degree

Graduates will:

- demonstrate an understanding of the central doctrines of the Christian faith and articulate them clearly;
- communicate God's truth to make disciples;
- articulate a philosophy of ministry and have experience in applying it;
- embrace leadership responsibilities and serve competently in a variety of ministry settings;

- express how they are developing in their relationship with God and as Christlike servant leaders.

In addition to the core courses for all Bachelor's degrees (see page 46), these courses are required for the B.A. (Ministry) degree:

BACHELOR OF ARTS (WORSHIP LEADERSHIP)

Rev. Marc Jolicoeur, Program Director

The Bachelor of Arts in Worship Leadership is designed to prepare worship leaders with servant hearts, increased music skills, theological understanding, and a biblical philosophy of worship for effective service in the local church and beyond. The program includes basic education in music studies, both practical and theoretical. In addition, students will benefit from a well-rounded foundation in general studies as well as in ministry training.

The four-month Supervised Ministry Experience for students enrolled in the B.A. Worship Leadership takes place in a worship leading setting.

Objectives of the B.A. (Worship Leadership) degree

Graduates will:

- plan and prepare worship services for a variety of settings;
- lead worship for spiritual formation, demonstrating theological integrity, musical competence, and cultural diversity as the hallmarks of their ministry;
- articulate a philosophy of worship grounded in Biblical reflection, historical development, and theological consideration, as well as being culturally relevant;
- develop general music skills that will prepare them to serve as worship leaders.

Entrance Requirements

All applicants will be accepted into the Worship Leadership program but will initially enrol in a Worship Leadership minor program of study.

To be fully accepted into the B.A. Worship Leadership program of study, potential for success in the program must be demonstrated. At the student's request, an audition may be scheduled for this purpose. Since the intent of the program is to develop worship leaders who are expected to lead vocally, students will be auditioned for their vocal potential, as well as their instrumental abilities.

Practical Experience

The Bachelor of Theology is a specialized undergraduate degree with a primary concentration in biblical and theological studies. This focus includes an introduction to Bible study tools for working with the biblical languages, a well-rounded foundation in general education and a foundation in vocational ministry training. This degree enhances the preparation of students for a career in Christian higher education (Christian liberal arts universities and seminaries) and provides a solid preparation for those who desire to serve in pastoral ministry.

Students completing the Bachelor of Theology degree will meet the academic requirements for licensing in The Wesleyan Church. With careful selection of electives, students may also meet the academic requirements for ordination in The Wesleyan Church.

Students from other denominations may be able to meet many of the academic requirements for ordination in their denomination through this degree program.

MINISTRY MAJORS & MINORS

In addition to the primary majors in the bachelor's degrees students may wish to add another specific area of study to their degree program. Students in the Bachelor of Arts (Ministry) degree may add a major area of study (24 hours) to their degree. Students in any bachelor's degree program may add a minor area of study (18 hours) to their degree.

Unless otherwise noted, the program objectives are fulfilled to a lesser extent in the minor program of study and to a greater extent in the major program of study.

The selection of some combinations of majors and/or minors may require more than 120 hours to complete. In some cases, adding more than one major or minor to a degree program will necessitate adding a semester to the student's program, thus taking four and a half years to complete the degree.

Courses credited towards a degree or major cannot also be credited towards a minor.

Evangelism, Compassion, & Social Justice Major & Minor

Mr. Shaun Miller, Program Director

There is a growing recognition in the evangelical world that when evangelism, compassion ministry and social justice are separated from one another it leads to an incomplete representation of the gospel. The Great Commission and the Great Commandment are a both/and, not an either/or proposition. Kingswood is perfectly positioned to educate students in a biblical balanced ministry of outreach to "the least of these" (Matthew 25:40) through the major and minor program of study.

The four-month Supervised Ministry Experience for students following the Evangelism and Social Justice major takes place with a compassion or social justice ministry in an urban or cross-cultural setting.

Students wishing to enroll in the Evangelism & Compassion minor program of study must be enrolled in a bachelor's degree program and have completed no more than 16 hours of credit towards a bachelor's degree.

Objectives of the Evangelism, Compassion, and Social Justice Programs

Graduates will:

- have a biblical understanding of the relationships between compassion, evangelism, and social justice issues;
- demonstrate an understanding of, and appreciation for the spiritual and social issues

present in the world and be able to address them from a Biblical perspective;

- demonstrate an understanding of God’s heart for the poor and lost peoples of the world;
- be prepared to do evangelistic and compassionate outreach work in a wide variety of environments outside of traditional church settings, such as soup kitchens, missions, jails, drug rehabs, and at-risk youth programs;
- evaluate and assess the particular needs of specific situations and provide appropriate solutions;
- be equipped to work in organizations and churches already focused on compassion and social justice, as well as to establish and lead evangelistic and compassion outreach ministries.

Intercultural Studies Major & Minor

Dr. Merrill Greene, Program Director

The Intercultural Studies major is designed to prepare students to serve missionally and strategically in cross cultural contexts both around the world as well as in North America, with The Wesleyan Church and other denominations, agencies, and non-profit organizations.

The Intercultural Studies minor is designed for students who wish to be exposed to and trained in cross-cultural ministries, but who do not desire to concentrate most of their courses in this area. The minor is also for those who may not sense God leading them to vocational cross-cultural service, but who still wish to have some preparation for effective cross-cultural communication and ministry.

The program is grounded on the philosophy that mission is the first work of God, and that he invites his people to participate with him in what he is doing in witness and mission among people of all nations, around the world as well as around the corner. We recall Jesus’ command to make disciples of all nations, going to them wherever he brings us, remembering that he promised to “be with us

always.” (Psalm 67, Matthew 28:19-20; John 20:21; Acts 1:8).

The four-month Supervised Ministry Experience for students in this major takes place in a cross-cultural setting; this may be internationally or within a North American ministry with a cross-cultural focus.

Objectives of Intercultural Studies Programs

Graduates will:

- have a solid understanding of the biblical, historical, cultural, and strategic perspectives of the involvement of God’s people with God’s mission;
- be able to analyze contemporary issues and worldviews from a biblical perspective;
- connect strategic intercultural competence training with cross-cultural ministry practice;
- know how to dialogue, proclaim the Gospel, and disciple believers in the context of various world religions and new religious movements;
- have experience in ministry of the Gospel and discipleship across cultural boundaries;
- be practically prepared for vocational as well as co-vocational cross-cultural ministry and be able to provide missional leadership for the Church locally and globally.

ASSOCIATE OF ARTS (EVANGELISM & COMPASSION MINISTRY)

Mr. Shaun Miller, Program Director

The Associate of Arts degree in Evangelism and Compassion Ministry (Praxis) is designed to prepare students to serve and lead in evangelism and compassion ministry in various church and parachurch settings. The course of study embraces both the Great Commission (Matthew 28:19-20) and the Great Commandment (Matthew 22:37-39) as essential to Christian witness, and uses the head (knowing), heart (being), and hands (doing) method of disciple-making that Jesus modeled in the Scriptures. As well as a strong Christian community and excellent classroom instruction, there is a strong experiential component that allows students life-on-life encounters with lost and hurting people in their own cultural context, in large urban centres, and in another culture. The primary candidates for this diploma are those already holding a bachelor’s degree and/or a diploma in a teachable area.

This certificate will be awarded upon successful completion of 12 hours of course work as follows:

	<u>Credits</u>
History & Philosophy of Christian Ed.	3
Instructional Design & Assessment	3
Theory & Practice in Classroom Management	3
One additional CSE course	3

TESL DIPLOMA

(TEACHERS OF ENGLISH AS A SECOND LANGUAGE)

The TESL Diploma provides a thorough introduction to the concepts, theory, and methods related to teaching English as a second language. Such preparation helps graduates to instruct competently in local or international settings, such as in creative-access countries where traditional ways of doing mission are prohibited.

TESL in Canada is equivalent to TESOL (Teachers of English to Speakers of Other Languages) in the United States. The program is offered through The Institute of TESL, a ministry of Kingswood University.

The practicum is an optional component of the TESL experience at Kingswood. Students may complete a practicum by their own arrangement and at their own expense. If a student chooses to pursue the optional practicum, it is his or her responsibility to obtain the location for the practicum, as well as to work fully with its teachers and administration to the satisfactory completion of the practicum. The successful completion date will be mutually agreed on by the student and the Director of the Institute of TESL. Any student who completes satisfactorily all classroom responsibilities is eligible to receive the TESL Certificate from Kingswood University that includes the words, “100 hours of instruction.” Students who choose the option of completing the

practicum under the terms stated by Kingswood University will be eligible to receive a Diploma that includes, “100 hours of instruction plus a 20-hour teaching practicum.” Many universities offer TESL certificates that do not include the practicum. Potential employers will generally choose teaching experiences (such as volunteering once a week for a few months) over a teaching practicum.

To be awarded the TESL Diploma, students must complete satisfactorily both TESL I and TESL II, each worth three credit hours, with a grade of at least C in each course. Students may choose to take the courses for credit or non-credit. If taken for credit these hours may fill elective or other course requirements.

Students who do not want university credit for the TESL courses will be expected to meet the same requirements (attendance, assignments, etc.) for the courses as those who do. The courses will show as an audit on a transcript.

Students enrolled in the Christian School Education program are required to take TESL I; they may take TESL II to meet the elective requirement of the degree. Students enrolled in the Intercultural Studies major or minor are strongly encouraged to take TESL as part of their overall preparation for cross cultural ministry.

PRACTICAL MINISTRIES

The purpose of practical ministries is to assist the student in preparing to bring glory to God by enabling the student to integrate real-life experience with classroom theory.

Participation in practical ministry experiences assists students in developing skills in relating Christian truth to human needs. The student's individual needs and vocational objectives help determine appropriate ministry assignments. The value of communication skills in teaching, preaching, counselling, music, sharing, and witnessing cannot be overstressed in the student's vocational pursuits. Consequently, a valid learning experience in the use of these skills must include practice. During practical ministry experiences, students receive evaluation and instruction from pastors, church leaders, and other competent supervisors.

Practicum Credits

All students at Kingswood University are involved in a variety of hands-on practical ministries. Some of these are through apprenticeship programs, others are through more formal arrangements in earning Practicum credits.

In all bachelor's degree programs, students must earn three Practicum credits. Students in associate's degree programs must earn two Practicum credits. These credits must be earned throughout the degree program to assist in the integration of classroom learning with practical learning experience, with a focus upon servanthood.

The Practicum Handbook provides detailed information concerning practicum assignments and requirements. Selection of assignments is made in consultation with the Practicum Director and the student's faculty advisor. All student practicum assignments must have the approval of the Practicum Director and may be synchronized with Apprenticeship placements.

Dropping a Course

Students may withdraw from a course within the first seven calendar days of the course without academic penalty. Courses from which a student withdraws during the second to fourth week of the course will be recorded with a grade of "W." After week four, courses dropped will incur an "F" unless a student can document extenuating circumstances. Students must follow the appropriate procedures for dropping a course by completing the Drop/Add form available on the University's intranet. Students who do not access course materials within the first week of a term and who are unresponsive to contact from the Kingswood Extended office will be automatically removed from the course(s).

For information about tuition refunds see the Financial Information section of this Catalogue.

Adding a Course

Students may add a course within the first few days of a term, with the professor's permission, and by contacting the Registrar's Office. Students must follow the appropriate procedures for adding a course by completing the Drop/Add form available on the University's intranet.

Grading System

Although some professors may use numerical designation in grading, a letter system is used for the final evaluation of the student's work in a course. The grades indicate the following assessments of work:

- A Excellent work. This grade represents originality, insight, and achievement.
- B Good work. This grade represents fulfillment of the course requirements with diligence and thoroughness, yet with something less than mastery.

- C Minimally acceptable work. This grade represents steady work at a low level of competence. It may indicate an outward fulfillment of requirements with little personal involvement or application to studies.
- D Unsatisfactory. This grade represents work below an acceptable level. For 500 level courses, a D grade is not satisfactory for graduation (see Degree Graduation Requirements); therefore, any such course receiving a D grade must be re-taken.
- F Failure.
- I Incomplete. This is a temporary grade which will be changed to a passing or failing grade by the end of the following semester.
- W Withdrawal from a course.
- WF Withdrawal from a course while doing failing work.

Grades

To receive credit for a course, the student must satisfactorily fulfill all the requirements of the course (papers, assignments, etc.) and receive an acceptable passing grade in the course.

Grades and grade-point averages are calculated in the same manner as at the undergraduate level (see page 92).

Academic Probation

Students will be placed on academic probation when their term or cumulative GPA falls below 2.0. Students on academic probation will be permitted to take only one graduate course per term.

Academic Dismissal and Re-Admission

Students will be dismissed automatically for a minimum of one semester if:

- their GPA in any term is 1.0 or below, or;
- their current term GPA is below 2.0 for a second consecutive term.

Students who are dismissed for academic reasons may apply for re-admission by contacting the Enrolment Office.

Upon timely receipt of all required materials and reports, a determination will be made concerning if

there is any basis for a student's continuing study at the University. A personal interview may be requested. Students re-admitted after academic dismissal will be on academic probation.

A second dismissal will be for an indefinite period.

Contesting a Grade on an Assignment

A student may contest a grade for an assignment by discussing it first with the professor within five days of receiving the grade. If this does not bring about satisfactory resolution, the student may bring the assignment to the attention of the Program Director who will then discuss the assignment with the professor. The decision of the Program Director will be final. If the professor involved is also the Program Director, the student may bring the assignment to the attention of the Vice President for Academic Affairs.

Contesting a Final Grade in a Course

A student may contest a final grade in a course informally by discussing it with the professor upon receipt of the grade. If this does not bring about satisfactory resolution, a student may contest the grade formally by the following procedure:

- The student will submit to the professor, in writing, the reasons for contesting the grade within five days of receiving the grade.
- The professor will respond in writing to the student within five days.
- If this does not bring about satisfactory resolution the student may take the grievance to the Program Director who will rule on the matter. The procedure is as follows:
 - The student must submit a written request for a review of the issue(s) to the Program Director and include a copy of the student's statement to the professor and the professor's response.
 - This request must be submitted to the Program Director within 21 days.
 - The decision of the Program Director will be final.
 - If the professor involved is the Program Director, the written request may be submitted to the Vice President for Academic Affairs.

Late Assignments

All assignments are due as described in the syllabus. There may be a grade reduction for late submission of assignments.

Extensions may be granted in the event of unexpected ministry duties, sickness, death or serious illness in the student's immediate family, or similar extenuating circumstances. Normally, extensions should be requested at least five days prior to the due date of an assignment.

No assigned work will be accepted after the official end date of the course. Students should check specific requirements for due dates in each syllabus.

Academic Integrity

The *Senior Dictionary of Canadian English* defines plagiarism as "an idea, expression, plot, etc. taken from another and used as one's own."

Plagiarism is the use of ideas or words from another source without giving credit. This includes all printed and electronic sources, communications, presentations, and the use of generative artificial intelligence tools.

Plagiarism is a serious offence in the academic community and is especially offensive in the Christian academic community since it is an act of dishonesty, evidencing a lack of integrity. Cheating on tests, exams, and other assignments is equally offensive. For this reason, any source that is quoted directly, and all statements of fact or opinion that are not common knowledge, must be referenced with a parenthetical reference.

Plagiarism and other academic dishonesty will not be tolerated at Kingswood University and normally will result in the following academic penalties:

- A first offence will result in failure of the assignment or test.
- A second offence (even if occurring in a different course than that of the first offence and/or in a subsequent term) will result in the failure of the course in which the second act of plagiarism or academic dishonesty occurred.
- A third offence (even if occurring in a different course than that of the first or second offence and/or in a subsequent term) will result in dismissal from the University.

All students enrolled in online courses are required to submit an Integrity Statement at the conclusion of the course indicating that all work submitted is their own and that resources have only been used as permitted in the course. Grades in these courses are not finalized until the signed statement is submitted.

Generative Artificial Intelligence (AI)

Generative AI is a tool which can encourage learning in some settings and detract from it in others. Students may only use generative AI tools where explicitly permitted by the course instructor and as described in the course syllabus; any usage other than this is not permitted. This applies to all assignments, including research papers, tests, reflection papers, and discussion posts. Students will also be expected to follow specific course instructions for documenting use of generative AI. Failure to adhere to Kingswood University generative AI policies will result in the same academic penalties as for plagiarism (above).

Credit for Prior Learning

Kingswood University recognizes that some students have earned academic credit at other institutions or have prior learning for which they may be awarded academic credit. These fall into four categories, defined here and expanded below:

- Prior Credit – transfer credit awarded for academic courses completed at other institutions, usually on a course-by-course basis.
- Credit for Military Training – students who are active or veteran members of the armed services may be eligible for credit for their military training and experience.
- Prior Learning Credit – credit may be awarded for non-credit workshops, experiences, programs, etc. earned through the workplace or life experience.

Students should contact the Registrar's Office for more information

Transferring from Other Institutions

The University will only transfer those credits that can be applied directly toward the desired program of study at Kingswood. Grades for courses

transferred must be at least C, though the grade will not be recorded or calculated in the student's GPA.

Transfer credit is not awarded for Ministry Placement, counselling internships, or practicum requirements.

Students can transfer a maximum of 15 credit hours into the M.A. (Pastoral Theology) or M.A. (Leadership) degrees and 21 credit hours into the M.A. (Clinical Mental Health Counselling) degree.

Graduation Requirements

A student will be granted a degree upon meeting the following conditions:

- evidence of a life of high moral standing and a committed discipling relationship with the Lord and Saviour;
- successful completion of all program requirements within seven years of first enrolment in the program;
- a minimum of 21 of the 36 credit hours earned through Kingswood University for the M.A. (Pastoral Theology) and M.A. (Leadership) degrees, or 45 of the 66 credit hours earned through Kingswood University for the M.A. (Clinical Mental Health Counselling) degree;
- a letter grade of "C" or above attained in all courses and a minimum cumulative grade point average of 2.0;
- full payment of all financial commitments to the University.

Students may be required to complete an interview with a faculty committee.

August Graduates

Students enrolled in graduate degrees who, at the time of graduation, are no more than seven credit hours away from completing their program of study may be granted permission by the Vice President for Academic Affairs to participate in Commencement with the designation August Graduate.

If all course work is not completed by August 31 of that year, graduation will be withheld until Commencement of the following year. Such students will not be permitted to participate in Commencement a second time and will graduate *in absentia*.

ACADEMIC PROCEDURES

Academic Year

Kingswood's online programs operate with six terms per year. Terms normally begin on the first Monday of odd months (January, March, etc.) and end on Saturdays seven weeks later.

Advising

Upon enrolment, each student is assigned an advisor who will guide the student through his or her Kingswood experience. Program Directors for graduate programs serve as advisors for graduate students, who are also served by the Online Student Advisor.

Course Numbering

Courses are classified in the following manner:

- First-year courses - 500s
- Second- & Third-year courses - 600s

Physical, Mental, and Learning Disabilities

Kingswood desires to support all students in fulfilling the unique call of God in their lives including their academic success. Applicants with disabilities conform to the same academic conditions of acceptance as other applicants. However, they are encouraged to submit additional information about their life circumstances so that these can be considered in the evaluation of their application.

Students who have a diagnosed disability must inform the Academic Affairs Office prior to initial registration if they wish to request accommodation of any form. Professional, current documentation that establishes the nature of the disability and the recommendations for accommodation must be provided. Kingswood seeks to work with the student and any medical and/or psychological professionals involved to develop an appropriate accommodation plan. The accommodation plan will outline the student's particular needs and required changes to the delivery of the academic content to the student. The Registrar will notify faculty of suggested accommodations based upon documentation students provide.

The University can provide some support for students who have documented learning disabilities. The University ultimately determines the types and extent of support offered. Kingswood will not accommodate a student to the extent that

educational experiences and integrity are compromised for the student or for other students in the course.

Transferring from Other Institutions

All transcripts are assessed individually for transfer credit. Credit can usually be transferred seamlessly from:

- other recognized accredited educational institutions owned by The Wesleyan Church;
- other institutions accredited by the Association for Biblical Higher Education, Commission on Accreditation;
- recognized Canadian educational institutions;
- institutions whose accreditation is recognized U.S. Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA).

Transfer may be possible from other institutions with consideration given to the nature of the institution, the qualifications of its faculty, and review of syllabi.

The total of advanced standing and transfer credit may not exceed 15 hours for the M.A. (Pastoral Theology) and M.A. (Leadership) degrees and 21 hours for the M.A. (Clinical & Mental Health Counselling) degree.

Details of transcript assessment are available to the student or applicant upon request.

Articulation Agreements

In addition to general reciprocity of transfer of credit with other institutions owned by The Wesleyan Church and others accredited by ABHE, Kingswood has articulation agreements for transfer of M.A. (Pastoral Theology) credit to and from graduate programs at the following institutions:

- Acadia Divinity College at Acadia University (Wolfville, NS);
- Wesley Seminary (Marion, IN).

Transcripts

Official transcripts are issued upon request from the student through the University website. The cost is \$10.00 per transcript, payable before the transcript can be released. Students can print unofficial transcripts from their Populi account without charge. All financial obligations to the University must be met before grades and transcripts can be released.

Changes to Programs and/or Requirements

Any changes in University programs and/or requirements become effective when a new catalogue is published. In such instances a student is permitted to graduate under the catalogue provisions at the time of enrolment. If a student withdraws and later re-enrols, the requirements at the time of change or re-enrolment will be those which the student must meet.

SEXUAL HARASSMENT POLICY

Unwelcomed sexual invitations, demands for sexual favors, repeated sexual innuendos, and taunting about a person's body, appearance or sexuality can constitute sexual harassment. The university is committed to creating and maintaining an environment for students that is free of such objectionable and disrespectful conduct. Students should review Kingswood's Student Policy and Procedure on Sexual Harassment to help ensure self-awareness and protection. While a student may choose to discuss or report sexual harassment directly with law enforcement or any trusted Kingswood staff member, the Executive Vice President and the Professor of Counselling serve as University Sexual Harassment Advisors. These advisors provide information, advice, assistance and support on a confidential basis regarding this policy. Complaints of sexual harassment brought to the university's attention by a student will be treated as a serious matter and will be acted upon promptly and with due regard to the confidentiality of all those involved.

GRIEVANCE POLICY

The fundamental criterion for initiating a grievance is that a student believes that a decision of a University authority or the action of a University member affecting some aspect of her/his University life has not been reasonable, just or fair. Every student in the University community has a right to institute and participate in proceedings under this grievance procedure without reprisal or threat of reprisal for so doing.

The grievance process is divided into the three stages which are described in the Student Handbook.

MASTER OF ARTS (PASTORAL THEOLOGY)

Dr. Justin Bradbury, Program Director

The Master of Arts (Pastoral Theology) is a streamlined 36 credit-hour master's degree with a special emphasis on integrating Scripture and biblical theology with pastoral leadership, worship, evangelism and discipleship, the nature of the church, and spiritual formation. Students have opportunity to compile a practical set of ministry tools and resources as part of a capstone project. There is no residency requirement for the program.

Admissions Requirements

In addition to admissions requirements listed on page 88, students with no prior theological education may be required to take an introductory Bible survey course.

Ministry Placement Site - The M.A. (Pastoral Theology) is an "in-ministry" degree. Each student will be required to invest a minimum of 20 hours each week in church-related ministry (on either a paid or volunteer basis). Applicants who do not have a ministry placement site should contact the Program Director for assistance in finding one as part of the enrolment process. A Kingswood-approved ministry colleague at the church or ministry will be asked to partner with the student and sign a formal Ministry Placement agreement to that effect. This form must be completed and submitted to the Enrolment Office before final acceptance into the program.

Objectives of the M.A. (Pastoral Theology)

Graduates will:

- gain a deeper understanding of the integration of scripture and biblical theology with pastoral leadership, worship, evangelism, and discipleship;
- gain a broader understanding of the nature of the church as the community of Christ and its role in fulfilling God's mission in the world;
- integrate and apply the biblical and theological principles learned in coursework to their practical ministry settings;
- Students will be transformed by their encounter with the Word and practical theology

Program Integration

This degree provides a special emphasis on integrating Scripture and biblical theology with pastoral leadership, worship, evangelism and discipleship, a deeper understanding of the church, and spiritual formation. Class work in each of the specific courses includes the opportunity to design assignments around a ministry need or theme of the student's choosing.

Program Relevancy

Students will have opportunity to compile a practical set of ministry tools and resources as part of a capstone final project. This project will involve guided processing, assimilation, and compilation of principles, insights and methodologies gleaned from the integration of class work and ministry involvement in the core curriculum of the degree.

Local Church/Ministry Involvement

Because the M.A. (Pastoral Theology) degree is an "in-ministry" degree, students will be required to complete twelve months of sustained engagement in church-related ministry (20 hours per week) on either a paid or volunteer basis. This work will be evaluated at the ministry site by a Kingswood-approved ministry colleague. The timing of this requirement may be adjusted for students who intend to take more than one year to complete the degree.

The "ministry" category is not limited to pastoral roles in a local church, but may include roles in parachurch ministries, or other ministry roles, as approved by the Program Director.

Six hours of academic credit are awarded for this ministry assignment, for which the student pays standard tuition fees.

Students who opt to complete the M.A. (Pastoral Theology) degree in two years may chose to invest ten hours per week for twenty-four months.

Prerequisite: Survey of the Bible.

3 credit hrs Annually, Term 6 (July/August)

Survey of the Bible (BT 510) is a comprehensive survey of the whole Bible, intended to meet the prerequisites for taking further study at the graduate level.

3 credit hrs Annually, Term 5 (May/June)
or Term 6 (July/August)

Church History (HI 551) provides a survey of the history of the Christian Church from its birth to the present day in the context of world history. Attention is given to how the past impacts present and future ministry.

3 credit hrs Annually, Term 2, (Nov/Dec)

I & II Corinthians (NT 513) is a critical study of the background, content, and specific theological themes of I & II Corinthians. Attention is given to background issues, critical issues, and other elements that contribute to understanding the letters to the Corinthians. The issue of unity and its relationship to Paul's teaching in these letters receives intentional attention, especially as it relates to leadership in the 21st century Christian church.

3 credit hrs Annually, Term 1 (Sept/Oct)

Introduction to Counselling (PSPM 551) gives an overview of counselling theory, and reviews and practices skills of being a good helper and counsellor. The integration of theology and psychology is considered and foundational understanding of people and what is needed to promote healing is studied and practiced.

3 credit hrs Annually, Term 3 (Jan/Feb)

Systematic Theology (TH 551) aims to lay the foundation for a firm grasp of the basic doctrines of the Christian faith. While the theological perspective

is that of The Wesleyan Church, the student is encouraged to interact with other Christian perspectives to gain a clearer understanding of one's own view.

3 credit hrs Annually, Term 4 (March/April)

A Theology of Word and Sacrament (TH 502) maps the close connection between the spoken and the performed Word. Special attention is given to the ways in which the written Word and the sacraments are meant to operate in the life of the church as a means of ongoing, transformative grace. Students evaluate their current church experiences in light of these principles and develop a plan by which they may apply them in their ministry to a local congregation.

3 credit hrs Annually, Term 3 (Jan/Feb)

A Theology of the Church (TH 503) begins with an overview of the various biblical images of the church, which in turn necessitates an understanding of the historical and theological development, and adaptations of these biblical images. The course includes exercises where the student reflects critically upon life in the church and ministry as he or she currently experiences it in light of these biblical, historical, and theological principles. The goal is for the student, as a ministry leader, to become a facilitator of a biblically sound, culturally relevant, spiritually growing, reproducing, missional congregation. Prerequisite: theological study.

3 credit hrs Annually, Term 2 (Nov/Dec)

Missional Pastor: Evangelism and Discipleship (PM 504) examines how the church is meant to function as the mission of God in the world. The objective of this course, therefore, is to equip students with both a biblical understanding of how a local church effectively reaches the unsaved in the community with the gospel message and transitions new believers into a community of believers who intentionally support and encourage each other in becoming as much like Jesus as the Holy Spirit intends and enables.

3 credit hrs Annually, Term 4 (March/April)

A Theology of Pastoral Leadership (PM 505) is a comprehensive, integrative approach to the theology and practice of leadership, beginning with biblical foundations and concluding with essential skills for leading churches and other non-profit

organizations. The course involves current case studies from the student's context and so requires that the student currently be serving in an approved organizational context to enable appropriate reflection and application.

3 credit hrs

Annually, Term 1 (Sept/Oct)

Capstone Project (Pastoral Theology) (PM 506) allows students to integrate and apply in a working preaching/teaching model the principles, insights and skills they have learned in each of the M.A. (Pastoral Theology) courses.

3 credit hrs

Any term

Monthly reflective reports will be submitted to the Program Director. Students who choose to complete the degree in two years may reduce their ministry hours to ten hours per week over two years.

KINGSWOOD EXTENDED

**Non-Academic Credit
Certificate Programs**

Kingswood Extended is the branch of Kingswood University through which degrees, certificates, and courses are delivered to students who are away from campus.

Degrees offered online through Kingswood extended are identical to degrees offered on campus in courses, requirements, and outcomes.

KX NON-ACADEMIC CREDIT PROGRAMS

Certificates offered through Kingswood Extended are not credit-bearing and do not lead to academic credit towards a degree, therefore they are not eligible for student loans.

Certificates and courses are offered in several formats.

POLICIES & PROCEDURES

Because of the variety of formats of certificate courses offered through Kingswood Extended, academic policies vary, however the following are consistent across all formats.

Academic Integrity

Students of Kingswood University are expected to exhibit honesty and integrity in their personal, professional and academic life, and work. As Christians, we are called to a high standard of honesty.

The Senior Dictionary of Canadian English defines plagiarism as “an idea, expression, plot, etc. taken from another and used as one’s own.” Plagiarism is a serious offence in the academic community and is especially offensive in the Christian academic community since it is an act of dishonesty, evidencing a lack of integrity. Cheating on tests, exams, and other assignments is equally offensive” (Kingswood University Academic Policy).

Examples of plagiarism include (but are not limited to) the following:

- Copying all or part of a theme, exam, paper, reading report, or other written work from another person;
- Submitting as one’s own work that which was wholly or partially done by another;
- Quoting material from any source without clearly indicating it is someone else’s work;

- Summarizing or paraphrasing from any source without clearly indicating it is someone else’s work;
- Misrepresentation of documentation or resources;
- Submitting workbook answers copied from another person or working in a group and submitting an identical set of answers for each member of the group without explicit permission from the professor;
- Cheating on a test by getting answers in an unauthorized manner;
- Submitting the same work for more than one course without the prior approval of the instructor.

An instance of plagiarism will result in an automatic “F” for the specific assignment and may also result in an automatic failing of the course. A repeat offense will result in an automatic failing of the course.

COURSE FORMATS

Self-Paced Courses

These independent study courses are completed through an online platform. Students plan and execute their own strategy for completion within the course time frame, usually 16 weeks. Occasionally, in extenuating circumstances, students are permitted to complete paper-based Self-Paced courses.

Virtual Classroom Courses

Virtual classroom courses provide an in-class experience through live class sessions using a video conferencing platform. Students meet with an instructor for a two-hour class once a week for six weeks.

Mentored Cohort Courses

Local pastors and ministry leaders hold these courses for a small group of individuals in their church or local area. Courses normally run on a 13-week schedule and meet every two weeks for intentional mentoring and coaching through the material and its application to the local ministry setting.

Onsite Courses

Groups that wish to experience the benefits of the teaching environment without the cost or inconvenience of travel utilize onsite courses. Kingswood provides an in-person instructor to you in a time format convenient to the local setting.

CERTIFICATES

Most certificates include five courses in a similar area of interest which can be taken in any combination of the above formats.

Grades for the certificate-based courses listed on this page and the following are reported as percentages. Certificates are awarded upon completion of the fifth course with a grade of at least 71% in each course.
